Benjamin Zephaniah

Dr Benjamin Zephaniah is a British Jamaican poet and novelist born and raised in Birmingham. Named in the *The Times* top 100 post-war writers and voted in the BBC National Poll as Britain's 3rd favourite poet, his poetry is strongly influenced by the music and poetry of Jamaica and what he calls 'street politics'.

COLLINS BIG CAT READING ASSESSMENT

The most thorough and accurate way of assessing reading using online miscue tests.

This efficient and time-saving programme measures children's reading skills, accuracy and comprehension. It provides you with easy to view instant diagnostics using the built-in data capture and analytics functionality.

The tool allows you to create specific, targeted progression plans for each child to address areas of weakness in reading. Periodic use will allow you to monitor progress and implement a plan to support improvement.

It includes a record function which stores children's reading over a period of time, allowing you to review and log development.

Simple to use on any tablet, you can easily access and view individual child profiles, plus whole-class or school data.

track and monitor each child's reading development

To sample the tool, just download the free app from the app store.

The **COLLINS BIG CAT READING ASSESSMENT TOOL** analyses each child's results and provides you with the evidence you will need to

- Ensure progression
- Support children's reading skill development
- Prepare for the phonics screening check
- Set in place support strategies for children falling behind age-related expectations
- Compile reports for parents, Ofsted and for child profiles

The tool supports in-school summative assessment and enables you to ensure children are on track to meet their end of KS1 age related expectations.

compile reports for parents, Ofsted and for child profiles

contains 4 text extracts at each level, from a range of Collins Big Cat fiction and non-fiction

HOW TO USE THE READING ASSESSMENT TOOL WITH YOUR CLASS

The **READING ASSESSMENT TOOL** uses extracts from Collins Big Cat books – an equal mix of fiction and non-fiction, including decodable readers that follow the Institute of Education's Book Bands for Guided Reading. The child reads from the book while you log any mistakes in the tool using an easy key. The tool records the child's pace and analyses all of the input to create data for each child.

To download the tool, simply go onto the app store and search for 'Collins Big Cat Reading Assessment Tool'.

The app is free to download and will allow you to sample the tool. If you would like to implement the Reading Assessment Tool for your class, just follow the simple instructions in the app to purchase and unlock the full Tool.

The books used in the tool are available to purchase as The Reading Assessment Set.

Phonics

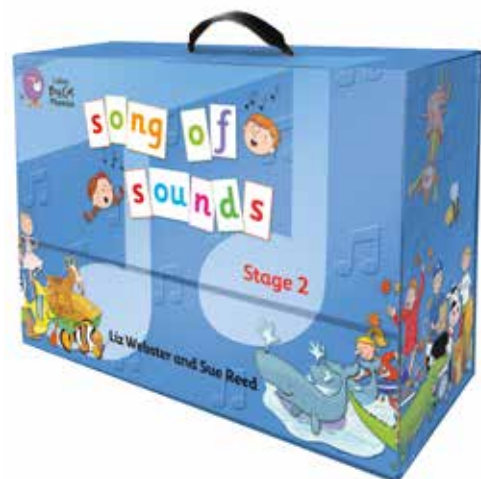

Age
4-6

KS1

Are you looking to invigorate your phonic lessons? **Song of Sounds** is a new hands-on programme that meets the learning needs of your whole class – and puts the fun back into phonics.

Created and developed in the classroom by teachers, Liz Webster and Sue Reed, whose school saw a 90% success rate in the 2014 screening check.

- Multi-sensory with kinaesthetic, auditory and visual activities that reinforce skills through a variety of learning styles
- A song is integral to the programme to help children remember every phoneme, a highly active approach with whole-body actions and lots of games to aid learning
- Carefully differentiated, contains support and challenge tips to cater for every child in the classroom
- Bring phonics to life with a fresh, lively, hands-on approach to teaching phonics with engaging, interactive activities that reinforce learning

For a free downloadable evaluation pack, to listen to the song and to view a class demo visit: www.collins.co.uk/songofsounds

How does it work?

Song of Sounds has a song at its heart that teaches children all of the phonemes necessary to read and write English successfully. Divided into two stages (Reception and Year 1), the programme contains 60 weeks of instruction. Each week has four short daily sessions and a longer consolidation session at the end of the week to put phonic skills into practice. A resource CD contains a software presentation to use throughout plus printable resources for the activities.

About the Authors of Song of Sounds

Liz Webster and Sue Reed are Headteacher and Deputy Head at Aldingbourne Primary School in West Sussex in the UK. Sue and Liz have a vast range of teaching experience, having taught all primary ages. They are both Foundation Stage specialists and have developed Song of Sounds over the last 10 years to ensure children get the best possible start to their reading and writing journey, leaving Reception and Year 1 classes with a firm grip on phonics.

What does Song of Sounds contain?

The Song of Sounds carry case is a one-stop shop for all your phonic needs, and contains the following:

- Audio CD
- Teacher's Handbook
- Resource CD
- Flashcards
- Green words and sentence cards
- Tricky word cards
- Phoneme stars
- Phoneme finder sheet
- Lotto game
- Classroom frieze
- Picture cards

RISE OF THE MAYA

Central America stretches out like a rope, tying together the two large continents to the north and south. People have lived here for over 20,000 years.

The people who would become the Maya travelled down from the north 9,000 years ago. They settled in the land between the Caribbean and the Pacific coasts. Some made their homes in the mountains of the south, and along the Pacific shore. Here the climate was cool and wet. Volcanoes produced the glass-like rock that the Maya used for tools.

Just north of the mountains, there was lower, gently-sloping country covered with thick tropical forests. This region was warmer and damper than the mountains, and criss-crossed by rivers. Many beasts, fish and birds darted through the water and jungle, providing lots of food for the Maya who lived here.

Further north still were hot lowlands that were mostly drier, with few rivers. The Maya who lived here drew water from vast, deep water holes called "cenotes". Because of the heat and drought, rough, low jungle trees grew, rather than dripping rainforest.

Today, Maya lands are misty with Guatemala, Belize and southern Mexico.

Sample page from *The Maya*

28 books for gifted readers in Years 5 and 6 who are ready to move onto longer texts. Pearl band will challenge your high achievers with extended reading which is guaranteed to be age appropriate. These books develop analytical skills with complex themes and thought-provoking activities, perfect for comprehension practice.
