## Prince Harry and Meghan Markle engaged

After months of waiting and speculation, the country is ecstatic about news that Prince Harry and Meghan Markle are to marry. The news of their engagement came after days of frenzied speculation with, in true modern fashion, a tweet from Clarence House. The British media have been curious about the date of the announcement for some time and it is clear that the British public are eager to see another lavish Royal wedding.

The Prince of Wales, it said, is very pleased to “announce the engagement of Prince Harry to Ms Meghan Markle”, with a date pencilled in for the Spring.

The Queen and Duke of Edinburgh said they “are thrilled for the couple and wish them every happiness”.

The Prince of Wales and Duchess of Cornwall are “thrilled” and “very happy indeed”, while the Duke and Duchess of Cambridge, their new neighbours, said they are truly thankful to, “get to know Meghan and to see how happy she and Harry are together.”

Ms Markle’s parents, Doria and Thomas, added to the congratulations, in a statement issued by Kensington Palace. “We are incredibly happy for Meghan and Harry,” they said.

“Our daughter has always been a kind and loving person. As parents, we are overjoyed to see her union with Harry, who shares the same qualities.

“We wish them a lifetime of happiness and are very excited about their future together.”
