Handwriting

Available
now for
Foundation
to Year 6

Teach children to write in a fluent, legible style of handwriting and master their spelling skills further with our carefully graded handwriting programme. Starting with fine motor movements at Foundation, moving through to pre-cursive and then cursive writing, the practice sheets facilitate a smooth progression from early mark-making to fluent handwriting.

Handwriting resources are available in printed Workbooks for pupils and photocopiable Resources Packs for teachers.

Write in Word Books allow extra handwriting practise as children can build up their own dictionary for each letter of the alphabet.

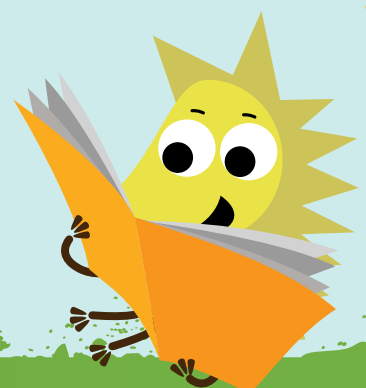

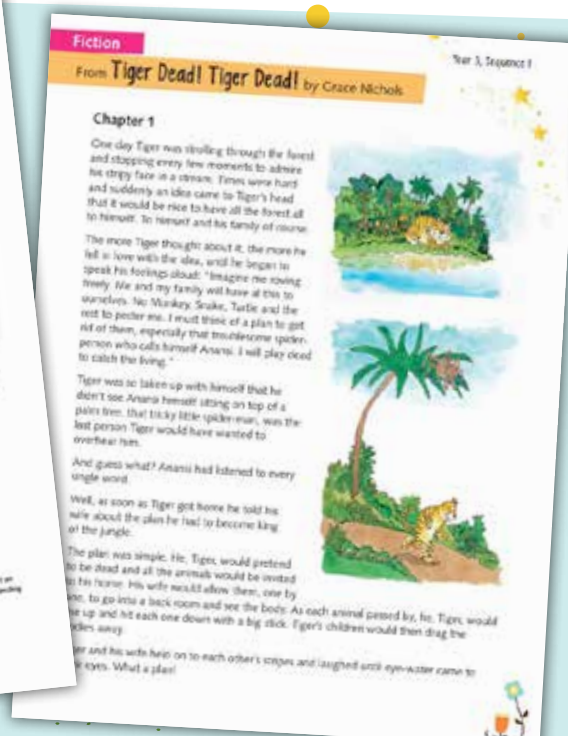

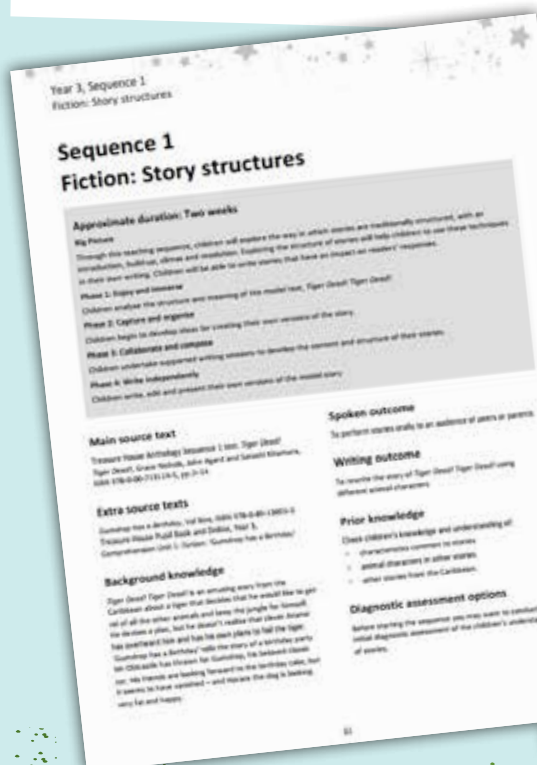

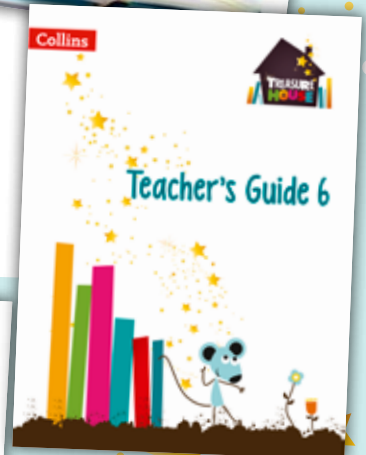

Treasure House Teacher Support

Extensive teacher support is available through Teacher's Guides and Anthologies for Years 1-6. The Teacher's Guides bring all the core literacy skills together into one programme making them ideal for a more holistic approach to literacy teaching. Each Teacher's Guide contains 15 teaching sequences which follow the same four phrases:

- **Enjoy and immerse** engages children with a source text through discussion and comprehension
- **Capture and organise** uses discussion, drama and writing to help pupils analyse text in more detail
- **Collaborative composition** supports group and class work exploring the process of writing
- **Independent writing** provides opportunities for pupils to construct texts independently

Treasure House Anthologies are packed with fully illustrated, extended extracts which feature in the teaching sequences laid out in the Teacher's Guides. Texts include classics, contemporary fiction, poetry and non-fiction.

COMING
SOON Teacher's
Guides to cover
each of the
core literacy
skills

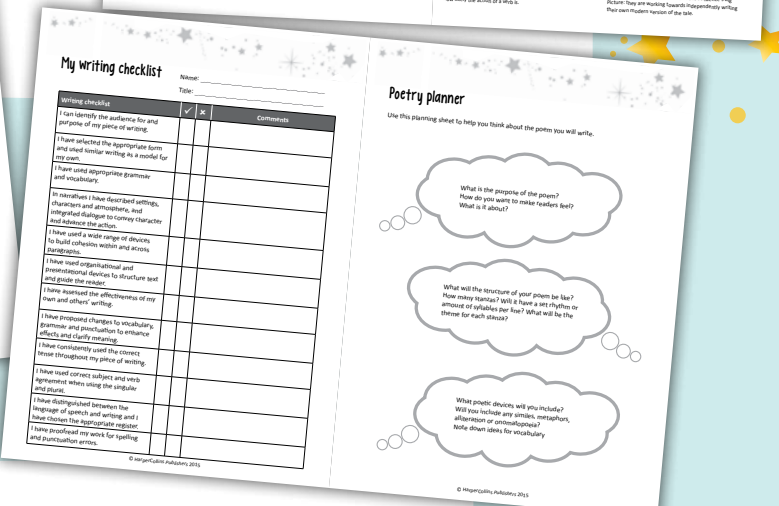

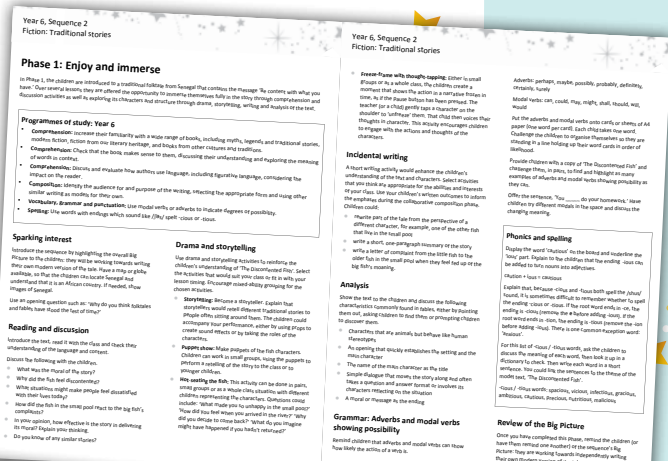

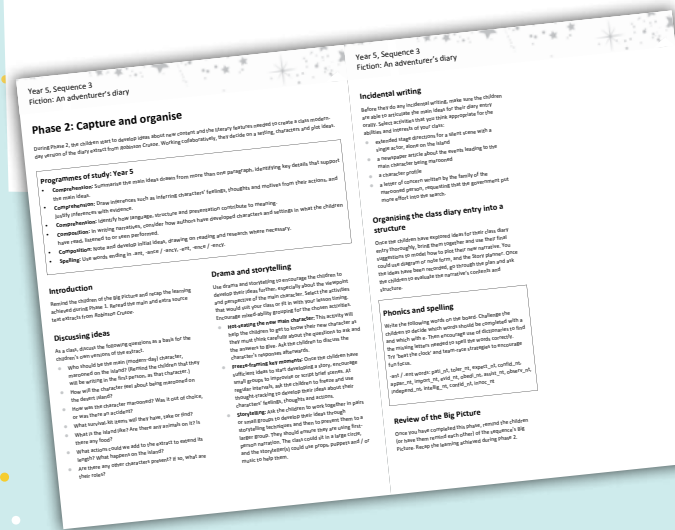

Assessment in Treasure House

Treasure House teaching sequences are designed to provide multiple opportunities for formative assessment by making pupils' learning visible both to you and them. All sequences support pupils in preparing for summative assessment against all of the National Curriculum programmes of study.

Assessment strategies in Treasure House:

- Diagnostic assessment
- Open questions and discussion
- Drama, storytelling and discussion
- Incidental and independent composition

Assessment through Treasure House digital resources

Treasure House on Collins Connect offers a neat solution to post-levels assessment. You can easily enter mastery judgements across the whole curriculum using a simple traffic light system, then view and break down assessment data in a variety of ways. For example, you might want a detailed breakdown on each child's progress or take to parents' evening or show Ofsted, or a broad-level overview to assist with your planning.
