

# HIPPO HYPHEN CHALLENGE

Hippos are well known for being the most **bad-tempered** animals at the waterhole.

Can you think of some other adjectives that are joined with a hyphen and complete the table?

|       |   |          |
|-------|---|----------|
| bad   | - | tempered |
|       | - | prone    |
| thick | - |          |
| quick | - |          |
|       | - | employed |
| part  | - |          |
| sugar | - |          |
|       | - | mad      |
