

JUNGLE JUMBLE

The expedition leader says we **are** going to the bat cave next.
I **am** so excited because I **haven't** been there before.

I **drew** a nice picture of the lion we **saw** yesterday. He **was** massive!
After a long chase, he **caught** his prey.

We **are** going to record parrots today. I haven't **seen** or heard a parrot
before because there **aren't** many of them around where I live.
