

CROCODILE CONJUNCTIONS

I'm not going home **because** I'm having too much fun.

Mind you, I'll have to go home **before/when** it gets dark.

It's really late now **so** Mum is bound to be cross with me.

I watch TV in bed **when/after** I have had my supper.

I told my mum I'd do my homework **when/after** I've had my tea.

Mum scrubs my back **while** I relax in a hot, soapy bath.
