

In the following questions, you need to take one letter from the word on the left and add it to the word on the right to make two new, proper words. The order of the letters within each word must not be changed. Mark the letter that moves on the answer sheet.

Example: paint men
Answer: a (pint) (mean)

1. fleet fat
2. spill raises
3. house fond
4. moist carton
5. where fan
6. pitch liked
7. crease sever

In the following sets of five words, find the two words that are different from the rest. Mark them both on the answer sheet.

Example: March, Monday, July, December, Christmas
Answer: Monday, Christmas

8. dress, slipper, boot, scarf, sandal
9. cabbage, spinach, pasta, chutney, lettuce
10. skip, walk, sprint, stroll, saunter
11. stretch, girth, centimetres, waist, circumference
12. magenta, sapphire, pink, scarlet, emerald
13. content, placid, anxious, calm, nervous
14. sour, rough, bitter, bright, sweet
