

Name _____

Use the book to answer the questions.
The index and glossary will help you.
Then think of your own question to ask a friend.

1. Why was the ship called *Titanic*?

2. Where was the *Titanic* heading on her maiden voyage?

3. Why are icebergs dangerous for ships?

4. Why were there only 20 lifeboats?

5.

The Titanic

Learning objective: Draw together ideas and information from across a whole text, using simple signposts in the text.
