

## Unit 8 - Directions from Hotel (Australia and Scotland)

---

**Nikki:** I wonder if you can help me. We are hoping to go out to Federation Square this evening, I've heard it's a really nice place to spend an evening. Could you tell me how to get there from here?

**Receptionist:** Certainly. We're just on Spencer Street Road, so you need to go to Spencer Street Station, and then from Spencer Street Station you then need to go to Flinders Street Station, which is ten minutes on the train.

**Nikki:** That was Flinder Street Station?

**Receptionist:** Flinders Street Station which is right near Federation Square.

**Nikki:** Okay and is that a direct line, then?

**Receptionist:** It is a direct line; it's about three stops away.

**Nikki:** Mmhmm.

**Receptionist:** And then you'll arrive at Flinders Street Station where Federation Square will be.

**Nikki:** Okay, so it's not far.

**Receptionist:** It's not far, Madam.

**Nikki:** Okay, good. And will I find plenty of restaurants there?

**Receptionist:** In the vicinity of Flinders Street Station and also Federation Square there are a lot of restaurants, bars, boutiques, shops and there's also a very good live atmosphere during the summer time. So I'm sure there's a lot for you to do this evening.

**Nikki:** Good, that's what I'd heard. Okay, that's excellent, thank you.

**Receptionist:** Enjoy your night.

**Nikki:** Thanks, bye.

**Receptionist:** You're welcome.
