

Collins Primary Thesaurus

Illustrations (1)

The **illustrated** pages in the *Collins Primary Thesaurus* will help you to be more specific when talking about different types of the same thing.

Look at the illustrations of “**boats**” on page 37. Use the pictures to help you choose the right kind of boat to fill in the gaps in each of the sentences below:

1. The _____ travelled silently beneath the waves.
2. As part of our activity holiday, we learned how to paddle a _____.
3. Over the years, many stories have been told about Vikings’ adventures in their _____.
4. The jets landed, one after the other, on the deck of the _____.
5. The _____ raced across the water, leaving a white wake behind it.

Illustrations (2)

Choose two of the other types of boat given in the box at the bottom of the illustrated page. Draw and label them below, making sure it is clear from your drawings what the differences are between the two types of boat.
