

# The Reading Attic

Discover a bank of texts from much-loved children's authors for your pupils to explore! Lesson sequences accompany the texts, with drama opportunities and creative strategies for engaging children with key themes, characters and plots.

The new curriculum emphasises encouraging all pupils to read widely and often. These big-name books will fulfil that purpose and help nurture children's love of reading.

You can access five extracts from each of the books, with an accompanying lesson for each extract. Enough to get even your reluctant readers enthralled!
