## Treasure House Teaching Principles

**Treasure House Teacher's Guides are underpinned by five core principles to ensure that all children learn to enjoy and excel in English.**

- 'Wonder and joy for curious young minds' describes the carefully mapped journeys from immersion in high quality texts through to independent creation.
- Reading is a critical academic and life skill for children to develop, so is at the heart of every Treasure House learning journey.
- Great teaching requires effective assessment for learning; this is why flexibility is built into the foundations of Treasure House.
- Treasure House learning utilises a 'high ceiling, low threshold' approach to differentiation, enabling access and success for all.
- Teachers are intelligent decision-makers: Treasure House encourages professional judgement in the crafting of inspirational English lessons.
