

All about me

How to use this resource

Print out pages 2–3 on two sides of A4 paper and fold it in half.

Place the small booklets on a writing table for children to complete independently, or with adult support, where necessary.

Alternatively, they can be used as part of the theme 'Ourselves', and kept by the teacher as an example of independent writing to assess progress in spelling.

Food I like

Large empty rectangular box for writing or drawing.
