PHONICS

Welcome to Collins Big Cat Phonics!

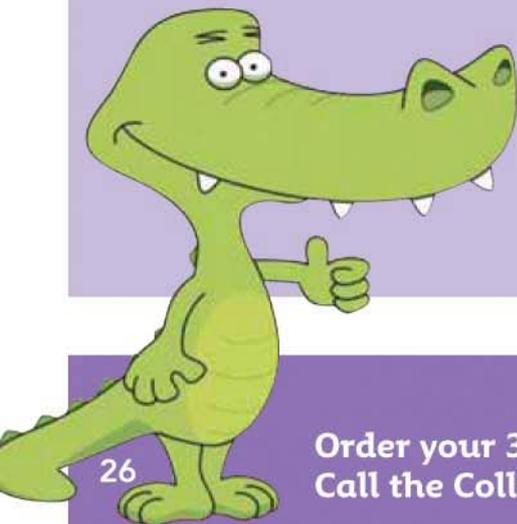

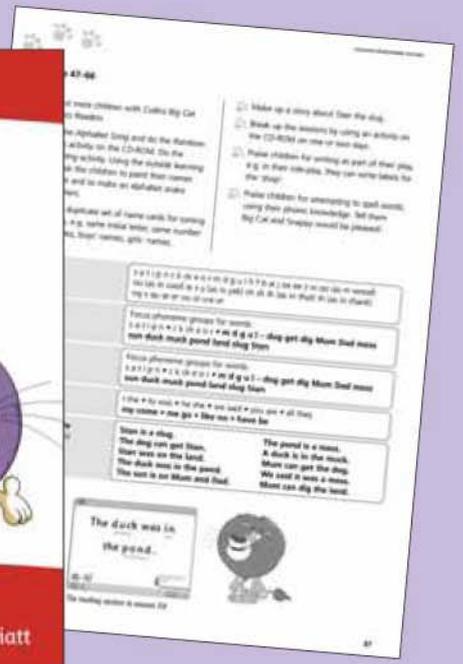

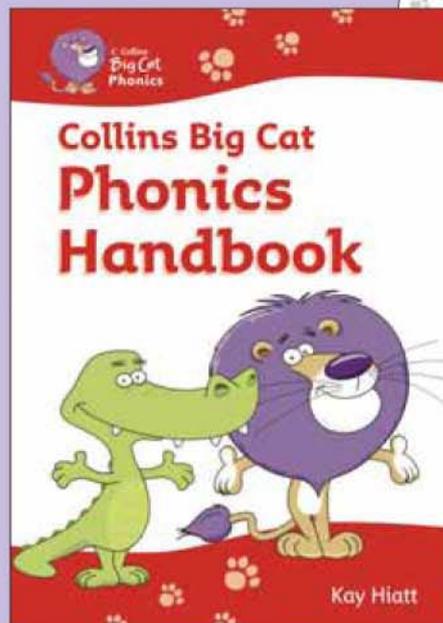

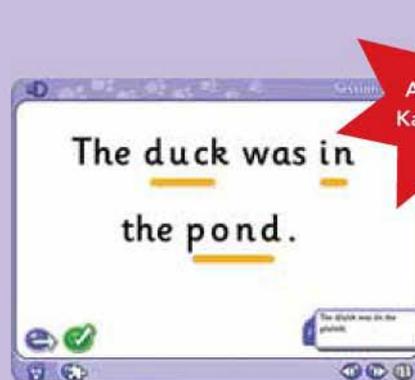

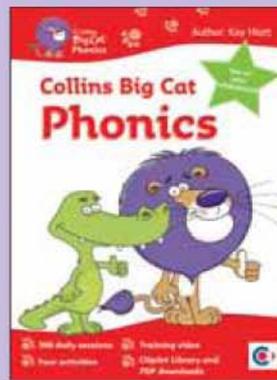

Collins Big Cat Phonics is the latest addition to this award-winning reading series, providing everything you need to teach synthetic phonics for age 4+.

Collins Big Cat Phonics features a whiteboard CD-ROM and Handbook plus 24 fiction and non-fiction decodable books from top children's authors.

Collins Big Cat Phonics CD-ROM and Handbook:

- A complete instruction programme for learning phonics featuring daily, systematic 10-minute sessions
- No planning or preparation required – the whiteboard resource will run the lesson for you, leaving you free to observe and assess your pupils
- Builds children's fluency in hearing, saying, reading and writing 42+ phonemes
- Features a training video from author, Kay Hiatt – a former primary head teacher with extensive classroom experience of teaching synthetic phonics

“The great thing about Big Cat is simplicity...

Whether as a stand-alone scheme or a compliment to others, this series provides a welcome support to schools as we implement the recommendations of the Rose review.”
