

You just wait! When the Boggies beat Kingston, I'm going to chant the score to Dangle every minute of every day until his brain explodes.

The trouble is, we've only won a few games this season, and we only won one of those because the other team didn't turn up.

It's not easy supporting the bottom team in the football league ... We are below everyone!

POS	TEAM	PLD	WON	DRN	LOST	PTS
21	ASHTON ATHLETIC	23	7	6	10	27
22	UPFIELD WANDERERS	23	6	7	10	25
23	RENTON ROVERS	22	6	5	11	23
24	MUDCHESTER FC	22	6	4	12	22

Chapter 2

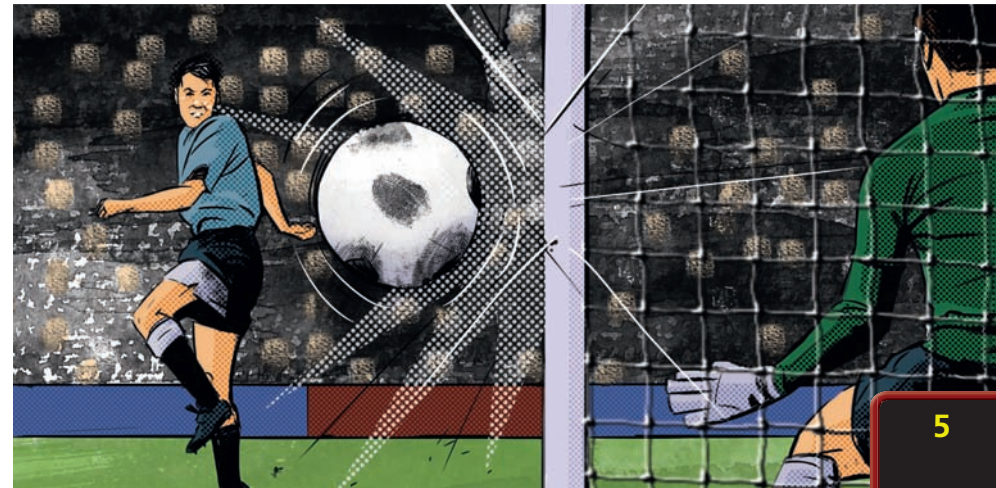

I went to see the Boggies playing Renton Rovers yesterday. They're one place above us in the table, so it should have been a close match, but it wasn't. We lost 4-1.

We should never have lost, as we had most of the play and Kevin "Wrong-Way" Tibbs hit the post three times.

Unfortunately it was our post.

The Rovers fans chanted, "Should have gone to Specsavers".

Harsh, but fair.

Our star striker, Dermot Doodie, played like a camel with four left feet. I drew a picture of him.

I couldn't believe it! He's usually our best player. He wants to get a transfer to a bigger club, but I hope he doesn't, as he's my favourite player.

And the ref should never have sent Tim "Mad Dog" Terry off.

It was a fifty-fifty ball, so it was a harsh decision. Although the player Terry smacked did get sent to hospital in two separate ambulances.

OUCH!

The day after the Renton game I got an email from Dangley.

Subject: Boggies lose (again)

I see your rubbish team lost again last night. My sister says her Brownies pack will give Mudchester a game. She says they promise to go easy, to give you a chance. I reckon the Brownies would still win.

In fact, your team shouldn't be called the Boggies, they should be called the Bogeys – because they're **snot** very good.

Dave

Not funny.
